Judging Categories

Contestants are judged on the following categories (all scoring is accumulative **not** comparative)

Miss Central WI Pride: Interview, Evening Gown, & Talent

Mr. Central WI Pride: Interview, Formal Wear, & Talent

Interview

The interview category is your way of making a first impression to the judge's panel. Think of this category as a job interview. You will be judged on confidence, ability to answer questions, and communication skills.

- Interview is limited to no more than seven (7) minutes in length.
- Each contestant will be interviewed individually by the panel and will be asked any number of questions to understand you as an individual
 - *Entertainer life, personal life, professional life, etc.*
- This is not a fashion category, and formal attire is not required.

Mr. - Formal Wear

Contestants will be judged on modeling, fit, confidence, and overall look. House music will be provided for this category. Formal Wear is NOT comparative.

- Formal wear is defined as a full suit or tuxedo. This should be nicely fitted and tailored to your body.
 - You will **NOT** be judged on your weight and physique
 - Pants should be tailored to not bunch at the heels.
 - Sleeves no shorter than the wrist.
 - Shoes should match or complement the suit and should be free of scuffs or wear/tear.
 - Garment should be free of loose strings, tears, stains, and wrinkles.
- Formal wear may include embellishments to enhance the look, but avoid making it look too much like a costume.
- Judges should **not** be able to see through any part of the garment.
- Accessories are encouraged but should not be overpowering.
- Modeling should be at a slow and easy pace. Target fixed points on the stage/floor to stop and pose to show your modeling skills.
 - Judges will be watching to see how well you can move in the garment.

Miss - Gown

Contestants will be judged on modeling, fit, hair, makeup, accessories, and overall look. House music will be provided for this category. Gown is NOT comparative.

- A gown is defined as something you would wear to a formal event.
 - The garment should complement your figure and show your style and taste.
 - You will **NOT** be judged on your weight and physique.
 - The garment should be floor length.
 - Floor length is defined as past the ankle and hitting the floor. You are welcome to have a train if that is part of your look.
 - The garment may include embellishments to enhance the look but avoid making it look too much like a costume.
 - Garment should be free of loose strings, tears, stains, and wrinkles.
- Hair should complement your overall look.
 - Hair does **NOT** need to be an updo, but it should be clean and smooth and allow for proper modeling (ex. Hair getting caught on sequins or accessories can restrict head and shoulder movement).
- Accessories should complement the overall look.
 - Accessories should be in perfect condition – free of missing stones, glue residue, or any marks.
- Modeling should be at a slow and easy pace. Target fixed points on the stage/floor to stop and pose to show your modeling skills.
 - Judges will be watching to see how well you can move in the garment.
